[Company Name] Loan Application under the 5M Solar Connections Facility for [SHS / Mini-Grid] Deployment in [Project Location]

Dear Sir,

On behalf of [Company Name], I would like to apply for a [Project Finance / Working Capital] Loan under the Central Bank of Nigeria 5M Solar Connections Facility Intervention Program for the sum of [insert loan amount]. Below is a brief overview of our loan request and proposed uses of funds:

Company Name	[Insert company name]	Business Model	[SHS / Mini -Grid]
Project Description / Location	[Insert description (max. three lines) of the project including the target location of the project]		
Requested Loan Amount	[Insert loan amount]		
Proposed Use of Funds	[Insert an overview (max.two lines) outlining the proposed use of the loan]		
Anticipated No. of Connections	[Include the total number of connections expected from project]		
NEP prequalification status	[Confirm your NEP prequalification status – note that only NEP prequalified companies will be considered]		

Please find attached our detailed business plan and supporting documentation, which include the proposed uses of funds and operational plan. If you have any questions, please contact [insert full name of key contact] at [insert telephone number] and [insert email address]

Thank you for your time and consideration.

Best regards,

[Your Name]
